42 Your CR-V

Our powerful and efficient hybrid powertrains deliver exceptional drivability and feature dual electric motors and three engine modes: Electric, Hybrid and Engine Drive, to ensure optimum fuel economy and peace of mind for long distances. You can now choose between a full hybrid and plug-in version of the new CR-V.

Hybrid

Full hybrid

- Self-charging – no need to recharge
- Driving range of 960km on a full tank
- Excellent for urban driving and commuting

Plug-in hybrid

- Fully charged and ready on your driveway every morning
- Zero emission driving range of 82km
- Longer electric range delivers ultra-low weighted CO₂ emissions from 18g/km*
- Switches to hybrid mode when the EV battery is low

*Figures sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experiences.

01

CR-V e:HEV full hybrid

The new CR-V e:HEV self-charging full hybrid offers the benefit of **smooth, quiet electric power without the need to plug-in**. Recharging is achieved through the engine driving a generator motor that is also supplemented with a regenerative braking system, which helps recharge its large battery and extend its electric range. When fully charged and with a full tank of fuel, you can drive up to 960km without having to stop.

Power delivery is refined, providing a real sense of driving enjoyment and engagement. You can also take pleasure in the fact that wherever you go, you can reduce your CO₂ emissions*.

5.9L/100KM
FUEL ECONOMY

*Economy & Emissions figures: (WLTP) Range 4.8–8.1 (l/100km), CO₂ 128–183 (g/km). Figures, sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experiences. Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic. For more information on which grades this and other features are available on, please refer to the specification pages 64–69.

CR-V e:PHEV plug-in hybrid

Our new CR-V e:PHEV plug-in hybrid offers an **enhanced EV experience**, by providing a purely electric-powered range of up to 82km*. So, you can enjoy all the benefits of smooth, quiet electric power with low emissions but retain the flexibility of switching to hybrid drive in case you are low on charge.

Recharging is quick and simple, with a rapid charge time of just 2.5 hours via a 6.8kW charger.

ULTRA-LOW CO₂
WEIGHTED EMISSIONS
FROM 18G/KM*

*Range calculated based on the combined WLTP fuel economy of 6.6l/100km and a full tank of fuel.

**Includes subscription-based service.

Model shown is the Honda CR-V e:PHEV Advance Tech 2.0 i-MMD in Diamond Dust Pearl. For more information on which grades this and other features are available on, please refer to the specification pages 64-69.

**Please note, MyHonda+ App is not available in Republic of Ireland. For further information please contact your local Authorised Honda Dealer.

The CR-V has the power to perform, with an exhilarating driving experience that's dynamic, sophisticated and capable.

Full hybrid

- Power 189 PS
- 335Nm Torque
- 0-100km/h from 9.4 seconds
- 2 litre petrol engine

Plug-in hybrid

- Power 189 PS
- 335Nm Torque
- 0-100km/h from 9.4 seconds
- 2 litre petrol engine

All-round performance

The perfect balance of performance and fuel-efficiency, the new CR-V delivers the power and torque you need, when you need it.

This is harnessed by four distinct drive modes: Sport, Normal, Econ and Snow, which automatically changes the vehicle set-up to provide the optimum performance, traction and efficiency required for the road conditions. The plug-in hybrid also includes a Tow Mode* to assist with charge management when pulling a trailer of up to 1500kg.

Smooth, responsive, drivability

Acceleration is smooth and responsive, and the handling precise and stable, even when the terrain gets a little tougher. In fact, you'll enjoy a **truly dynamic and controlled driving experience** wherever your journey takes you.

The Head Up Display* helps you stay focused on the road, providing an even greater sense of security. And with features such as deceleration paddles on the multi-function steering wheel and our Hill Descent Control, which delivers secure automated deceleration on steep downhills, you'll always feel in control.

The new Honda CR-V may have a familiar look, but every aspect of the design has evolved, creating a contemporary, distinctive and athletic SUV.

Full hybrid

- Matt black trim
- Silver detailing
- 18" Shark Grey alloys
- Bold mesh grille

Plug-in hybrid

- Body-colour trim
- Black gloss detailing
- 18" Berlina Black alloys
- Sporty grille design

A powerful new look

The CR-V is a **powerful presence on the road**, with a sophisticated, yet rugged look, exemplified by its bold mesh grille design, striking alloy wheels, streamlined LED headlights with sequential turn signals, dramatic rear light design, practical roof rails and panoramic glass roof.

It's also a functional large SUV and easy to load, thanks to its wide boot aperture and power tailgate that provides a stop and hold function and a Walk Away Close functionality, which closes the tailgate and securely locks your car if you leave it without locking it.

The CR-V's cabin is a place you'll enjoy spending time in, where each element has been designed to create a quiet and uncluttered space for you and your passengers.

Full hybrid

- Hairline silver trim
- 1642 litre boot space (VDA method, seats down)
- Standard pedals
- Light coloured roof lining

Plug-in hybrid

- Honeycomb silver trim
- 1710 litre boot space (VDA method, seats down)
- Sports pedals
- Dark coloured roof lining

Comfort for everyone

We believe everyone’s journey should be comfortable, so every seat is now heated*. Front seats also incorporate a ventilation function to keep you cool at the touch of a button and feature our new body stabilising technology, with enhanced support for maximum comfort on longer trips.

It’s often the thoughtful details that make every drive a pleasure. The steering wheel, for instance, can be heated for cold mornings*, the air conditioning has dual directional flow for maximum comfort, leather seats** provide a luxurious feel, whilst ambient cabin lighting creates a relaxed mood.

Your life, your space

You pack a lot into your life, so we've designed the CR-V to ensure it'll all fit in. The interior has been created to be **flexible, practical and spacious**, with a sizable boot capacity of 1710 litres** and a host of clever storage ideas including a large central armrest that conceals a huge 9 litres of useful space.

All this space for luggage doesn't compromise space for you and your passengers, with generous leg and cabin room for the rear seats, which, by the way, are reclining and sliding, not only for optimum comfort but ensuring your space is ultra-flexible. The driver's seat also comes with seat memory*, programmable to your individual key fobs, so you can feel comfortable as soon as you get in.

Keeping you connected

Driver information is delivered clearly and concisely via a high-quality 10.2" digital screen situated behind the steering wheel and a Head Up Display* projected directly onto the windscreen, so you can see essential information without taking your eyes off the road.

The central Honda CONNECT 9" touchscreen seamlessly links you to your favourite apps via Apple CarPlay and Android Auto. It also features a navigation system that incorporates a smart fuel-saving option and Honda Parking Pilot* parking assist systems to help when reversing into tight spaces.

We are committed to keeping you, your passengers and pedestrians safe, which is why we've included a whole range of advanced driver assistance systems into the CR-V.

- Features:
- Honda SENSING as standard on all grades
 - Honda SENSING 360*
 - Multi-view Camera System*
 - Honda Parking Pilot*

Safety

06

*Select grades only.

Honda SENSING

Honda SENSING is our exclusive suite of safety and driver-assistive technologies and come as standard in all our cars. They are powered by sensors, cameras, and enhanced recognition systems, which have been designed to keep you safe and assist you as you drive.

Collision Mitigation Braking System

If there is the possibility of a collision with a vehicle or a pedestrian, this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

Lane Keeping Assist System

Keeps you central in your lane with gentle automatic adjustments to the steering wheel.

Cross Traffic Monitor

When reversing, the system detects other vehicles approaching from the left or right behind your CR-V and alerts you with a visual and audible warning.

Adaptive Cruise Control with Low-Speed Following

Helps maintain a safe distance from the car in front by assisting with accelerating and braking.

Road Departure Mitigation System

A newly improved warning system that detects your CR-V crossing over lane or road boundary markings without a turn signal being activated and will apply subtle steering corrections and braking force if required.

Collision Mitigation Throttle Control

Recognises obstacles ahead of or behind the vehicle, and issues audio and visual alerts when stationary or moving at less than 10km/h** if the accelerator is being over-used.

Traffic Jam Assist

Reduces the driver's workload in low-speed, congested traffic by keeping safe distance from the car ahead and by steering to keep the vehicle in lane.

*Select grades only.
**Speed may differ model to model. Consult your owner's manual or local dealer.
Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic. For more information on which grades this and other features are available on, please refer to the specification pages 64-69. See website or contact your dealer for more information.

Honda SENSING 360

With the new CR-V Hybrid, we introduce our most advanced safety system yet – the Honda SENSING 360*, which expands the existing Honda SENSING range to 360 degrees around the car, with additional corner radars and cameras in the front. The enhanced range not only covers additional blind spots around the vehicle, helping avoid collisions with other vehicles and pedestrians, but also reduces driver strain while driving.

Collision Mitigation Braking System
Honda SENSING 360 extends the range of the standard CMBS system to include all directions around the vehicle, assisting the driver to avoid and mitigate any collision with another vehicle or pedestrian when entering or turning into a junction.

Lane Change Collision Mitigation System
When you change lanes, the system gives visual and audible alerts, along with automatically steering the car to avoid collision if needed.

Active Lane Change Assist
Working in conjunction with Adaptive Cruise Control (ACC), Low-Speed Follow and the Lane Keeping Assist System (LKAS), it assists with steering when changing lanes and is activated when the driver puts on the turn signal.

Front Cross Traffic Warning
Helps the driver pull out of a driveway or junction safely, by detecting any approaching vehicle, pedestrian or object from the left or right and alerting you in advance*.

Cornering Speed Assist
Activated when Adaptive Cruise Control is engaged, the system can detect a bend ahead and reduces your speed from the set limit.

For a complete list of features, visit the Honda website or speak to your local dealer.

*Select grades only.
Model shown is the Honda CR-V e:PHEV Advance Tech 2.0 i-MMD in Diamond Dust Pearl.
For more information on which grades this and other features are available on, please refer to the specification pages 64-69. See website or contact your dealer for more information.

Extra smart, extra safe

We've put a lot of thought into alerting you to hazards before they happen. The wide dashboard, for instance, has been designed to provide the widest possible field of view, and cameras with enhanced recognition technology and front and rear sensors are also constantly keeping watch.

Sometimes, it's the **little details that can make a big difference** to your safety, and the CR-V comes equipped with:

Multi-view Camera System*
Helps expand the driver's awareness of what's in front, alongside or behind the car and reduce blind spots, with images displayed on the central touchscreen*.

Lane Watch
Uses a camera installed below the passenger side mirror to relay an image of the adjoining lane on the central display screen, making it easier and safer to change lanes or make turns.

Active Cornering Lights*
When you turn into a bend so do your headlights, which illuminate further into the corner and provide better visibility.

Reverse Auto-Tilt Mirror
Automatically tilts the door mirrors down when you engage reverse, aiding visibility especially in tight spaces*.

Adaptive Driving Beam*
Automatically adjusts your headlight's light distribution, allowing you to clearly see the road ahead without dazzling oncoming drivers.

Honda Parking Pilot*
An automatic, hands-free one-touch parking aid to help you safely fit into the tightest spaces. A combination of Sonar radar and multi-view cameras also enable the CR-V to detect parking spaces even when they are not defined by bay lines.

*Select grades only.

Elegance

Full-hybrid

The **Elegance** comes packed with an extensive range of high-quality features:

- Honda SENSING Safety Technology
- 18" Shark Grey Alloy Wheels
- Honda CONNECT
- Panoramic Glass Roof
- LED Lights
- Power Tailgate with kick sensors and Walk Away Close
- Rear-view Camera
- Front and Rear Parking Sensors
- High Beam Support System
- Four Drive Modes (Econ/Sport/Normal/Snow)
- Driver's Seat 4 way Power Adjustment
- Wireless Charger
- Keyless Entry and Start
- Digital Driver's Display

Model shown is the Honda CR-V e:HEV Elegance 2.0 i-MMD in Premium Crystal Red Metallic.

Advance Full-hybrid

In addition to the features available on the Elegance grade, the **Advance** grade includes:

- Multi-view Camera
- Adaptive Driving Beam
- Driver's Seat Power 4 way Adjustment with Memory
- Head Up Display
- Heated Rear Seats
- Heated Leather Steering Wheel

Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic.

Advance Tech

Plug-in hybrid

The **Advance Tech** grade includes:

- Honda SENSING 360
- Honda CONNECT
- Dark Coloured Roof Lining
- Five Drive Modes
- Tow Mode
- EV Mode
- LED Lights
- 18" Berlina Black Alloy Wheels
- Black and Chrome Grille
- Body Colour Bumpers and Fender
- Panoramic Glass Roof
- Multi-view Camera
- Honda Parking Pilot
- Front and Rear Parking Sensors
- Adaptive Driving Beam
- Driver's Seat Power Adjustment with Memory
- Head Up Display
- Wireless Charger
- Keyless Entry and Start
- Heated Rear Seats
- Digital Driver's Display
- Power Tailgate
- Heated Leather Steering Wheel

Colour your life

Choose from a range of contemporary colours that reflect your personality and the dynamic design of the new CR-V.

*Select grades only.
Model shown is the Honda CR-V e:HEV Elegance 2.0 i-MMD.

Aero Pack

e:PHEV

Enhance the look of your CR-V with the Aero Pack, which further complements the stylish look and feel of the car.

The pack includes: a front aero bumper, a rear lower bumper, a Berlina Black tailgate spoiler and Berlina Black side skirts.

REAR LOWER BUMPER
Complete the look of your CR-V with this rear lower bumper in a body colour and Berlina Black colour combination. It blends in perfectly with the front aero bumper and side skirts.

FRONT AERO BUMPER
Enhance the dynamic look of your car with the front aero bumper. Featuring a body colour and Berlina Black colour combination to give the bumper area a premium feel.

TAILGATE SPOILER
Add some extra sportiness to your CR-V with the tailgate spoiler, which complements the lines of the roof and rear of the car.

SIDE SKIRTS
Give your car an exciting and sporty profile by adding these side skirts.

Items in the pack are also available separately. Alloys shown are the CR1812 alloy wheels, these are optional and sold separately. Model shown is the Honda CR-V e:PHEV Advance Tech 2.0 i-MMD in Diamond Dust Pearl.

Aero Pack

e:HEV

The Aero Pack adds an exclusive premium finish, further enhancing the overall aesthetic of your CR-V.

The pack includes: a front aero bumper, a rear lower bumper, door mirror covers and side skirts, all finished in Lunar Silver complemented by a body-coloured tailgate spoiler.

FRONT AERO BUMPER
Enhance the dynamic and premium style of your CR-V with this distinctive front aero bumper.

REAR LOWER BUMPER
This rear lower bumper perfectly complements the front aero bumper and side skirts, completing the sporting look.

DOOR MIRROR COVERS
Add a little individuality with these smart door mirror covers, designed to fit your CR-V seamlessly.

SIDE SKIRTS
Give your car an exciting and sporty profile with these stylish and sleek side skirts.

TAILGATE SPOILER
The body-coloured tailgate spoiler complements the lines of the roof and accentuates the sporty styling.

Items in the pack are also available separately. Alloys shown are the CR1811 alloy wheels, these are optional and sold separately. Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic.

Alloys

01

ALLOY WHEEL 18" CR1811
The 18" CR1811 alloy wheel features a diamond-cut A-surface with a shiny clear coat and Jet Black windows.

02

ALLOY WHEEL 18" CR1812
The 18" CR1812 alloy wheel features a full paint Jet Black finish.

Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic with optional 18" alloy wheels CR1811.

Utility Pack

A practical pack to make your CR-V the ideal companion on your trips! The all-season mats and boot tray with dividers are handy for autumn and winter, while the door sill trims and side body trims protect your car's paint against dents and scratches.

SIDE BODY TRIMS IN BODY COLOUR
Protect your car from dents while being parked with these side body trims. They keep your paint safe, while retaining the lines of your CR-V.

DOOR SILL TRIMS
The door sill trims add a personal touch to your car while protecting the door sills from marks and scratches. Crafted in stainless steel, they also have an eye-catching CR-V logo. Includes: front and rear trims.

BOOT TRAY WITH DIVIDERS
This waterproof anti-slip boot tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. Comes with dividers to help secure your items while driving.

FRONT AND REAR ALL-SEASON MATS
These all-season mats with raised edges are made to protect the entire footwell and feature the CR-V logo. They are tough yet easy to clean. The kit includes: two front and two rear mats.

Items in the pack are also available separately.
Alloys shown are the CR1811 alloy wheels, these are optional and sold separately.
Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic.

Illumination Packs

The **Illumination Pack** adds a premium touch at night. The illuminated door sill trims and illuminated boot sill decorations light up when opening your car.

- Included in the Illumination Pack:
- Illuminated door sill trims
 - Illuminated boot sill decorations

The **Premium Illumination Pack** further enhances the practicality of your CR-V, with an added premium touch. The illuminated door sill trims and illuminated boot sill decorations light up when entering or leaving your car, while the tailgate illumination makes loading and unloading at night a breeze.

- Included in the Premium Illumination Pack:
- Illuminated door sill trims
 - Illuminated boot sill decorations
 - Tailgate illumination

ILLUMINATED DOOR SILL TRIMS
Add an extra touch of style to your CR-V's interior with the illuminated door sill trims. The stainless steel finish glows with a CR-V logo for sleek lighting when you open the door.

ILLUMINATED BOOT SILL DECORATIONS
Protect the boot sill by fitting this stainless steel boot sill trim. It features illumination when opening the boot lid to help with visibility at night.

TAILGATE ILLUMINATION
The tailgate illumination has been developed to increase your comfort and safety by illuminating not only the boot, but also the area behind your car. The LED lights installed on the inside of the tailgate provide a powerful and consistent light in the boot, even when fully loaded.

Items in the packs are also available separately.
Model shown is the Honda CR-V e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic.

Charging accessories

- 1. **Honda Power Charger**
The Honda Power Charger offers a charging capacity of up to 22kW three phase and 7.4kW single phase for faster home charging. There are three variants available: the Honda Power Charger, S and S+, with and without shutter (depending on country legislation).

Also available: MID and M&E compliant variants for billing purposes.

- 2. **Mode 2 charging cable**
Portable Electric Vehicle Supply Equipment (P-EVSE) for grid-to-vehicle charging. A protective storage bag is included.
- 3. **Mode 3 charging cable**
A charging cable to connect your vehicle to a Honda Power Charger or public charger (single-phase and three-phase variants available). A protective storage bag is included.

Key features

Whether used at home or in business, Honda Power Chargers deliver unrivalled safety, efficiency and ease of use.

A seamless driving experience

Models shown are the Honda CR-V e:PHEV Advance Tech 2.0 i-MMD in Diamond Dust Pearl and e:HEV Advance 2.0 i-MMD in Canyon River Blue Metallic. For more information on which grades this and other features are available on, please refer to the specification pages 64-69.
**Please note, MyHonda+ App is not available in Republic of Ireland. For further information please contact your local Authorised Honda Dealer.

Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changed in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with either supplying Dealer, especially if your model selection is dependent upon one of the features advertised.
