

REDEFINING THE
LUXURY
EXPERIENCE

At Lincoln, we believe that luxury extends far beyond material possessions. Which is why the intuitive features and luxury appointments of your MKZ are designed to make each day more effortless, empowering you to soak up every brilliant, wonderful moment along the way.

ITS WELCOMING
EMBRACE
MARKS YOUR
ARRIVAL

When you are away, your MKZ patiently awaits your return. Then it invites you in, by gracefully illuminating as you approach with your key fob. Its exterior signature LED lamps fade on in recognition, while luminous welcome mats appear on the ground near its doors. LED lamps in the door handle pockets glow with an intensity that's fine-tuned to the exterior color. Inside, ambient lighting¹ puts on a show until you press the pulsating engine start/stop button. And after you close the door and relax into your Comfort seat, MKZ deploys the powerfold¹ sideview mirrors with memory to your personalized settings. It's been expecting you.

¹Available feature.

MOVING
YOU IN MORE
WAYS
THAN ONE

Get the kind of performance you might expect from a V6, with the Turbocharged 2.0-liter I-4 on MKZ. Twin-scroll turbocharging helps it produce plenty of PS. and torque¹ on command, while direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) contribute to its efficiency. This spirited engine is paired with the 6-speed SelectShift[®] automatic transmission and front-wheel drive.

EXHILARATING EFFICIENCY

Turbocharged 2.0-liter I-4

245HP. @ 5,500 rpm¹
275 lb.-ft. of torque @ 3,000rpm¹ (373Nm)

¹Horsepower as per Society of Automotive Engineers (SAE) standard. Torque ratings as per Ministerial Council of the GCC Standardization Organization (GSO) standard.

BECOME ONE WITH THE ROAD

Imagine yourself gliding along, calmly in command. MKZ can take you there, courtesy of its Lincoln Drive Control featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each of the 3 drive modes: Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that help you feel confident behind the wheel.

GLIDE EFFORTLESSLY

DISCOVER YOUR OASIS

While designing this beautiful environment, Lincoln artisans scrutinized every aspect of it. They studied the look, feel and performance of many elements with the intention of creating an elegant, soothing space for you. MKZ welcomes you by adjusting the Comfort power driver's seat, power¹ tilt/telescoping steering column and heated sideview mirrors to your personalized settings.

For a luxurious grip on your driving, the hand-stitched steering wheel is wrapped in Wollsdorf pure cowhide leather from Central Europe and the Alpine region. And to create the serene sanctuary you'll appreciate for years to come, a selection of aluminum, real wood¹ or carbon-fiber¹ trim puts the finishing touch on your MKZ interior.

¹Available feature.

NURTURE

AN AFFINITY FOR

SERENITY

Settle in and relax. Take a moment to open the fully retractable panoramic glass roof.¹ You'll enjoy it in every season from the comfort of your heated and cooled¹ front seats trimmed in luxurious Bridge of Weir™ leather.¹ MKZ is the only vehicle in its class² that can help you melt away stress and muscle fatigue with the Active Motion® massage functionality of its multicontour front seats.¹ The acoustic experience stands out as well. From its aerodynamic sideview mirrors helping to deflect wind noise, to the multilayer door seals and sound-absorbing materials throughout its body, MKZ is designed to help keep road noise at bay. Plus, Active Noise Control enhances cabin ambiance and helps to refine engine sound. Peace and quiet await – inside MKZ.

¹Available feature. ²Class is Luxury Midsize Sedans based on Lincoln segmentation.

LINCOLN
SYNC® 3

Feel free to speak your mind. MKZ listens. With its SYNC® 3 enhanced voice activated technology,¹ you can control calls, music and more with just a touch and your voice. You'll find audio, phone, navigation² and other features concisely presented on the responsive touchscreen in the middle of your instrument panel. Plus, seamless integration with Siri® Eyes Free brings the power of your paired iPhone® into your vehicle. SYNC® 3 also includes Apple CarPlay™ compatibility^{3,4} and Android Auto™ compatibility.^{3,4} The Voice-Activated Touchscreen Navigation System^{2,4} features pinch-to-zoom capability.

STAY CONNECTED WITH VOICE-ACTIVATED SIMPLICITY

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Requires phone with active data service and compatible software. ⁴Subject to country availability.

Music has the power to calm and soothe... invigorate and liberate. Whatever your preference, our expertly engineered Revel Ultima® audio system¹ can deliver a level of precision and musical accuracy you won't just hear – you'll feel. It's as if you're seated in the "Audience" or right up "On Stage" when you use the personalized listening modes.

Enjoy outstanding, multi-dimensional sound in every seat, courtesy of Revel Waveguides, QuantumLogic® Surround sound technology, and advanced cabin correction tuning. The 20-speaker Revel® Ultima audio system uses patented Clari-Fi™ music restoration technology to enhance satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

- CLARI-FI MUSIC RESTORATION TECHNOLOGY

¹Available feature.

TECHNOLOGIES HELP SIMPLIFY YOUR DAY

ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO^{1,2} – Certain driving situations can get tedious. When highway cruising or in lower-speed traffic, this system is designed to eliminate the need for constant adjustments. You simply set the speed, and the system can adjust to maintain your choice of 4 preset gaps from the vehicle in front of you, even following it to a complete stop.

AUTO HOLD¹ – For long stoplights or extended waits, you don't need to hold down the brake pedal. Just activate this technology, then come to a complete stop. Even on a hill, the system can hold your MKZ in place until you press the accelerator.

LANE-KEEPING SYSTEM^{1,2} – If you start to drift out of your lane, this technology can help alert you. Using a forward-facing camera to detect road lane markings, the system can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane.³ If it detects that you've crossed the line repeatedly, it can prompt the Driver Alert System^{1,2} to chime and display a coffee cup image to remind you that it's break time.

ENHANCED ACTIVE PARK ASSIST^{1,2} – For help parallel parking or backing into a perpendicular spot, simply activate this system. It uses ultrasonic sensors to help you locate an appropriate space, then steers your MKZ into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. It can steer out of parallel spots, too.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT^{1,2} – Some vehicles may be out of your line of sight, but they can be detected by this technology. It warns you if it detects a vehicle in your blind spots while driving forward, or approaching from the sides while in Reverse.

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION^{1,2} – Using camera and radar technology, the system can monitor your vehicle's proximity to other vehicles and pedestrians. If a potential collision is detected, it can alert you and, if needed, it can help provide full responsiveness when you brake.⁴

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available feature. ³Lane-Keeping System does not control steering. ⁴Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.

BROADEN YOUR HORIZONS

Every day brings new opportunities. Make the most of them in MKZ. Its fully retractable panoramic glass roof¹ features the largest opening among sedans,² which makes it easy for people in both rows to bask in the sun. Rear-seat passengers can also charge devices with the 220-volt power outlet¹ and 2 USB ports¹ conveniently located on the back of the floor console.

¹Available feature. ²Based on effective roof opening as measured by Webasto.

YOUR 2019 LINCOLN MKZ STANDARD FEATURES

POWER AND HANDLING

- ♦ 6-speed SelectShift® automatic transmission with paddle activation (turbocharged engines only)
- ♦ Lincoln Drive Control featuring Adaptive Suspension, Electric Power-Assisted Steering (EPAS), and Active Noise Control
- ♦ Power disc brakes with Anti-Lock Brake System (ABS)
- ♦ Torque Vectoring Control

DRIVER-ASSIST TECHNOLOGY

- ♦ Autolamp automatic on/off headlamps
- ♦ Reverse Sensing System
- ♦ SYNC® 3 Enhanced Voice Recognition Communications and Entertainment System with 8" color LCD capacitive touchscreen, Apple CarPlay™ compatibility, Android Auto™ compatibility, and 2 smart-charging USB ports

DRIVER CONTROLS

- ♦ Auto Hold
- ♦ Dual-zone electronic automatic temperature control
- ♦ Push-button shift transmission
- ♦ Remote Start System
- ♦ Universal garage door opener

EXTERIOR

- ♦ Adaptive HID headlamps with LED signature lighting
- ♦ Compact spare wheel and tire
- ♦ Electric parking brake
- ♦ Power-adjustable/manual-folding, heated sideview mirrors with memory, integrated blind spot mirrors, and LED turn signal indicators

LINCOLN EXPERIENCES

- ♦ Approach Detection
- ♦ Illuminated exterior door handle pockets
- ♦ Lincoln logo welcome mat
- ♦ Welcome/Farewell elements

AUDIO

- ♦ Lincoln Premium Sound System with AM/FM stereo/single-CD player, MP3 capability and 11 speakers

INTERIOR

- ♦ 12V powerpoints (4)
- ♦ Power windows with one-touch-up/-down for all 4 windows, with driver and front-passenger global open/close
- ♦ Wollsdorf leather-wrapped steering wheel and airbag cover

SEATING

- ♦ Comfort front seats with 10-way power adjustability and driver's side memory feature
- ♦ 60/40 split-fold-flat spring-assisted rear seat

SAFETY AND SECURITY

- ♦ Personal Safety System™ for driver and front passenger with dual-stage front airbags,¹ safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- ♦ Driver and front-passenger knee airbags¹
- ♦ Front-seat side airbags¹
- ♦ Side-curtain airbags¹ with roll-fold technology
- ♦ AdvanceTrac® electronic stability control
- ♦ Individual Tire Pressure Monitoring System (excludes spare, when equipped)
- ♦ Intelligent Access with push-button start
- ♦ LATCH (Lower Anchors and Tether Anchors for Children)
- ♦ MyKey® technology to help parents encourage responsible driving
- ♦ Perimeter alarm
- ♦ Rear-view camera
- ♦ SecuriCode™ invisible keypad
- ♦ SecuriLock® Passive Anti-Theft System
- ♦ SOS Post-Crash Alert System™

LINCOLN PROTECT EXTENDED SERVICE PLANS

Insist on genuine Lincoln Protect extended service plans, whether you purchase or lease your Lincoln vehicle. Lincoln Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. When you visit your dealer, insist on genuine Lincoln Protect extended service plans.

1:1 MODEL

A critical new step entered the Lincoln development process with the introduction of Continental. Computer-generated data was used to create a life-size model of the vehicle early in its development. This approach allowed the designers, engineers, program managers and other key members of the team to scrutinize and refine the way the data defined the final product, in order to hone the fit and finish of the most minute details.

LUXURY VALIDATION

In order to provide a highly refined MKZ ownership experience, the Lincoln Luxury Validation Center meticulously inspects the materials, craftsmanship, fit and finish, and function of each MKZ that leaves our manufacturing facility. This process ensures that it meets Lincoln standards in every way, before you see that it meets yours.

Comparisons based on competitive models (class is Luxury Mid-Size Sedans based on Lincoln segmentation), publicly available information and Lincoln certification data at time of printing. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Lincoln makes no warranties.

A MESSAGE FROM YOUR DEALER

A MESSAGE FROM YOUR DEALER

Along with your new Lincoln MKZ,
you'll enjoy the benefits of a personalized
relationship with the team at your Lincoln
Dealer. From exploring finance options to
demonstrating your vehicle's technologies,
we are dedicated to delivering an ownership
experience that exceeds your expectations.
It's all part of the Lincoln Way.
