

2019 MKC

THE LUXURY EXPERIENCE REDEFINED

SUV built with a commanding new design, driver-focused technologies like automatic emergency braking and pedestrian collision avoidance.¹

It senses your approach, the 2019 MKC elegantly illuminates, greeting you with the new face of Lincoln. Dynamic signature lighting beneath its LED headlamps, a luminous welcome mat and backlit door handles all perform in a carefully orchestrated order, to offer you a welcoming embrace. Take your seat, and the autofold¹ sideview mirrors deploy to your personalized settings. The overall experience is one of comforting reassurance. Your MKC knows you've arrived.

¹Available feature.

GRACEFUL SENSE OF COMPOSURE

Within this meticulously crafted space, you'll find everything has its place. Streamlined controls are arranged within easy reach, and sophisticated technologies are designed to respond to familiar motions. A pinch of your fingers is all it takes to zoom into a detailed navigation system map while scouting that new home décor store. On your way home, the quick pull of a lever folds either side of the 60/40 split rear seat down, creating a flat load floor and an abundance of room for your latest finds.

The personal touches continue as you slide behind the Wollsdorf¹ leather-wrapped, heated¹ steering wheel that was individually hand-stitched for you by a Lincoln artisan. A convenient memory feature recalls your customized settings for the driver's seat, the power¹ tilt and telescoping steering column and more, each time you return. Ambient lighting¹ bathes the doors, cupholders and footwells. A press of the push-button start brings the engine to life. And the class-exclusive push-button shift transmission displays each gear as a button of its own – making it simple for you to select Drive and begin your next journey.

¹Available feature.

IMMERSING YOU IN TRANQUILITY

MKC is designed to help you gather your thoughts and find your focus. Acoustic-laminate glass in the windshield and front doors helps minimize wind noise. A particulate air filter traps pollen and other irritants to help you breathe easy, while Active Noise Control helps refine engine sounds to enhance the cabin's ambience.

No matter the conditions outside, MKC can help you relax inside with heated and cooled front seats, and heated rear outboard seats.¹ Created exclusively for Lincoln, this premium, naturally milled leather is made from the finest hides in northern Europe. It's chromium-free and offers you a level of comfort more often found with upscale furniture. French seams and genuine wood interior accents reflect your refined taste.

Treat yourself to magnificent views through the power panoramic Vista Roof.² It features a one-touch open/close operation, as well as a vent position and a power sunshade. With the key fob in your pocket or purse, a simple kick of your foot beneath the rear bumper opens or closes the Hands-Free Liftgate.¹ MKC brings an extra measure of elegance to your every day.

¹Available feature.

US model shown.

VOICE - ACTIVATED SIMPLICITY

SYNC® 3 makes it easy to listen to your favorite music, handle phone calls, and even control compatible mobile apps, while you're on the go.¹ It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay™ compatibility^{2,5} and Android Auto™ compatibility.^{2,5}

SYNC® 3 AppLink also works with the Waze™ community-based traffic and navigation app³ on your iPhone.®

RICH, FULL SOUND

The Enhanced THX® II Certified Audio System⁴ gives every person in your MKC a front-row seat to the concert. Patented sound-processing technology distributes your music's bass evenly throughout the interior and, together with 14 speakers, brings the details of the studio to every drive.

CONNECTING WITH YOU NATURALLY

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires phone with active data service, compatible software and is not available in all markets. SYNC® 3 does not control third-party products while in use. Third parties are solely responsible for their respective functionality. ³Certain restrictions, third-party terms, or message and data rates may apply. Commands may vary by phone and AppLink software. ⁴Available feature. ⁵Subject to country availability.

SPIRITED IN ITS RESPONSE

You'll find joy on city streets, country lanes, and all the roads in between, driving the nimble MKC. Through advanced software and engineering, standard Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility.² This takes place seamlessly behind the scenes, without any need for driver input, so you can stay focused on the ride.

Imagine yourself gliding effortlessly along – at peace with your surroundings. Lincoln Drive Control featuring Adaptive Suspension¹ can take you there by helping to isolate your MKC from road imperfections. To personalize your ride, explore each of the 3 drive modes – Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that helps you feel confident behind the wheel.

To offer the kind of performance you might expect from a 2.0-liter engine uses turbocharging and direct fuel injection. They also use twin independent variable camshaft timing (Ti-VCT) to help optimize efficiency. With the 2.0-liter and Auto Start-Stop Technology.¹

Engage its Sport drive mode to tighten suspension tuning, firm up steering calibration, and hear more powerful engine sounds in the cabin – all while feeling blissfully connected to the road. Finding your way becomes pure pleasure in MKC.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

An informed driver is an empowered driver. That's the belief that inspires our extensive collection of driver-assist technology.^{1,2} These smart features² utilize a network of radar and ultrasonic sensors, plus sophisticated cameras, to help guide you through all sorts of scenarios. From backing out of a driveway or parking spot onto a busy street, to dealing with the fatigue-inducing stop-and-go traffic that comes with so many commutes, MKC can help ease your drive.

CLEVER WITH
ITS GUIDANCE

REAR-VIEW CAMERA

Visual help when the vehicle is in Reverse

REVERSE SENSING SYSTEM

Audible guidance while backing up

AUTO HOLD

Help at stoplights and other long waits – even on hills

**BLIS® (BLINDSPOT INFORMATION SYSTEM)
WITH CROSS-TRAFFIC ALERT²**

Helps while you're going forward and slowly backing up

Within the Technology Package:

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION

New to MKC – also features Automatic Emergency Braking³

ACTIVE PARK ASSIST WITH PARK OUT ASSIST

For maneuvering into and out of parallel spots

ADAPTIVE CRUISE CONTROL

Helps while cruising down the highway

FORWARD SENSING SYSTEM

Audible guidance for low-speed maneuvers

LANE-KEEPING SYSTEM WITH DRIVER ALERT SYSTEM

Can help alert you if you start to drift out of your lane⁴

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Available on Select and Reserve. ³Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ⁴Lane-Keeping System does not control steering.

A silver Lincoln MKC is shown from a high-angle, rear-quarter perspective, driving on a winding, paved road that curves through a city. The car is in motion, as indicated by the blurred background. The surrounding environment includes green grass, a brick wall, and various city buildings under a clear sky. The overall scene conveys a sense of luxury and sophisticated urban driving.

THE
LINCOLN WAY

Along with your new Lincoln MKC, you'll enjoy the benefits of a personalized relationship with the team at your Lincoln Dealer. From exploring finance options to demonstrating your vehicle's technologies, we are dedicated to delivering an ownership experience that exceeds your expectations. It's all part of the Lincoln Way.
