*Not available on Active or Tremor. **Ignite Orange Solid only available on Wildtrak models. †Acacia Green only available on Platinum models. ††Blue Lightning only available on Sport models. ^Command Grey only available on Tremor and Sport Models.

Ford Service Our commitment to you

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Intelligent Oil Life Monitoring System (IOLM). The way you drive can have a significant impact on how quickly your oil is used. IOLM is a smart system that monitors oil levels and alerts you when the oil needs changing. Discover the full range of Ford Service Benefits by visiting ford.co.nz/owners/service.

Five Year Unlimited Kilometre Warranty[1]

5 YEAR UNLIMITED KILOMETRE WARRANTY

Covers your new Ford Everest vehicle against defects in factory materials or workmanship for the first 60 months[1]. For details about this warranty please visit: www.ford.co.nz/owners/warranty

Ford Roadside Assistance[2]

For the first 36 months (unlimited kms), Ford gives Everest owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

Service Intervals[2]

The scheduled service interval is not due until an Intelligent Oil-Life Monitor notification 'OIL CHANGE REQUIRED', 15,000 km or 12 months in service, whichever occurs first.

Loan Car Programme[4]

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Electronic Vehicle Report Card[3]

When you bring your Ford in for a service, your participating Dealer[3] will complete an electronic vehicle report card that gives you a straight-forward indication of what we looked at, and what might need looking at in the future.

If we notice something needs attention, we'll text you while your car is up on the hoist. We will share photos to help explain what needs work. If you agree, we can get to work straight away and save you a follow-up visit another day.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369). T&Cs apply.

Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

1. Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to new, demonstrator, dealership and service loaner vehicles. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Due to some system compatibility restrictions, not all Dealerships are able to provide Vehicle Report Cards. Please check with your Dealer as to availability.
4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Everest and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.

Disclaimers

* WLTP3 is a conversion value on above NEDC values only. AdBlue® diesel exhaust fluid is required. AdBlue® is a registered trademark of VDA Verband der Automobilindustrie e.V. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded. All payloads are calculated by deducting the vehicle's Maximum Kerb Weight from its Gross Vehicle Mass (GVM). Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with factory fitted optional equipment included. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded. Maximum gross axle loads to be confirmed closer to launch. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 800mm Water Wading achieved when maintaining a steady speed of 7 km/h. Measured laden to roof, using VDA methodology. Maximum towing capacity-braked using a Genuine Ford tow pack. Connected Built-In Navigation services require SYNC 4A, FordPass Connect modem, and the FordPass App (FordPass terms apply). Eligible vehicles receive a 1-year connected navigation service that begins on the new vehicle warranty start date. Connected services depend on compatible network availability, including access to the 3G/4G telecommunications networks.
