

NEXT-GEN RANGER RAPTOR

Now with 5-Year Warranty

2.0L Bi-Turbo Diesel Engine

Produces 210PS max power and 500Nm max torque, paired with a 10-Speed Automatic Transmission with e-Shifter.

2.5-inch FOX Shocks

Equipped with Position Sensitive Damping technology that provides higher damping forces at full jounce and rebound to enable better off-road capabilities.

Selectable Drive Modes

Loaded with seven selectable drive modes for on and off-road. Go from rock crawling or desert running to the highway with the turn of a dial.

Unique Full Command Dash

12-inch digital instrument cluster, with fully configurable layout and gauges, sits in a coast-to-coast dash alongside a 12-inch Portrait Touchscreen Center Display with SYNC® 4A, Wireless Apple CarPlay®, and Android Auto™

360-Degree Camera

See more than ever. From the large center display, choose from multiple camera views including a 360-degree bird's-eye view and front and rear split view.

Front and Rear Performance Seats

The cabin features all-new, jet fighter-inspired sports seats both in the front and rear with prominent bolsters that is more comfortable and supportive during spirited cornering.

Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. May not operate at certain speeds, or in certain driving, road, or weather conditions. See Owner's Manual for details and limitations.

Overseas model shown. Philippines specifications and features may vary.
