

All-New Ford Mustang

Overseas model shown. Philippine specifications may vary.

Roar Power. Breathtaking Performance.

The powerful 5.0L V8 or 2.3L EcoBoost® engine options are mated with 10-Speed SelectShift® AT. Smooth out less-than-ideal road surfaces with the MagneRide® Damping System for an adaptive handling performance.

Quad Tip Exhaust with Active Valve Functionality

The quad tip exhaust with active valve functionality lets you control the volume of your Mustang – although it's hard to resist the V8 growl of the sport setting.

19-inch Aluminum Wheels and Brembo™ Brakes

Cast aluminum wheels give your Mustang a more aggressive stance, while Brembo™ brakes provide unrivalled stopping power. EcoBoost® wheels shown on image.

RECARO® Leather-Trimmed Sport Seats

Beneath the chiseled exterior lies a completely re-imagined cockpit, with sleek digital displays, RECARO® sport seating, and premium soft-touch accents all around.

Magnesium-Framed 13-inch Center Screen & 12-inch Digital Cluster

Everyday driving transforms into a visceral experience with a wrap-around screen, angled towards the driver.

Ford Co-Pilot 360™ Advanced Driver-Assist Technology

All the state-of-the-art technology packed into Mustang won't just enhance your driving pleasure, but also actively assist you on the road.

Reserve your dream Mustang today
