### **2.0L Turbo & 2.0L Bi-Turbo Diesel Engines.**

Our new generation 2.0L Turbo and Bi-Turbo diesel engines, mated with a 10-speed automatic transmission, deliver the effortless power you need to conquer any terrain.

### **10-Speed Auto Transmission.**

Ford's latest transmission technology offers not only improved fuel efficiency but also better acceleration and more accurate, quicker gear changes.

## Advanced Driving Assist Technology

### **Adaptive Cruise Control**

Reads traffic and can adjust your speed automatically. When traffic slows down, Everest slows down. When traffic clears, Everest returns to your pre-set speed.

### **Lane Keeping System**

If your indicator is not turned on and you start drifting from the center of your lane, the Lane Departure Warning alerts you by vibrating your steering wheel. If you continue to drift, Lane Keeping Aid steers you back on track.

### **Active Park Assist**

Spoils you with hassle-free parallel parking. Everest helps find the right size parking space and automatically steers itself in for a perfect park, with your hands 'off' the steering wheel. All you have to do is control the gears, accelerator and brake.

### **Autonomous Emergency Braking**

First-in-class feature that detects both pedestrians and vehicles and alerts you with an audible and visual warning. If you fail to react, it can automatically apply the brakes.

### **4WD Terrain Management System**

Just turn a dial and Everest's Terrain Management System ensures maximum traction and stability, enabling you to stay in control whether you are driving on sand, snow, mud, grass, rock or road.

\* Driver- assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. See owner's manual for system limitation.

\* Available on Titanium+ 4x4 only

### Panoramic Moonroof

Because it comprises nearly 50% of the roof space, you can open up your world and experience life under the stars at the touch of a button.

### SYNC<sup>®</sup>3

Stay connected whatever your adventure with SYNC<sup>®</sup>3<sup>1</sup>. Seamlessly connect your phone to the 8-inch touchscreen via programs like Applink<sup>®</sup>2, Apple CarPlay<sup>3</sup> or Android Auto<sup>4</sup>. More intuitive, more responsive and more capability.

[1] Not all features in SYNC<sup>®</sup>3 are available with all mobile phones, for compatibility please see <https://www.ford.com.uk/engineering/sync4>. [2] Ford Applink<sup>®</sup> is only available on select models and compatible with selected smartphone platforms. [3] Apple CarPlay is a trademark of Apple Inc. Apple CarPlay requires phone with compatible version of Apple iOS, active data service, and connection cable (sold separately). SYNC does not control Apple CarPlay while in use, Apple is solely responsible for their functionality. Message and data rates may apply. iPhone, Siri and Apple CarPlay are trademarks of Apple Inc. [4] Android Auto requires phone with compatible version of Android Auto and active data service, Android Auto requires phone with compatible version of Android Auto and active data service, Android Auto and Google Maps are trademarks of Google Inc.

### Hands-Free Liftgate

Makes your life easier when your hands are full or when the liftgate is wet and dirty. Just trigger a sensor with your leg and it will open and close automatically.

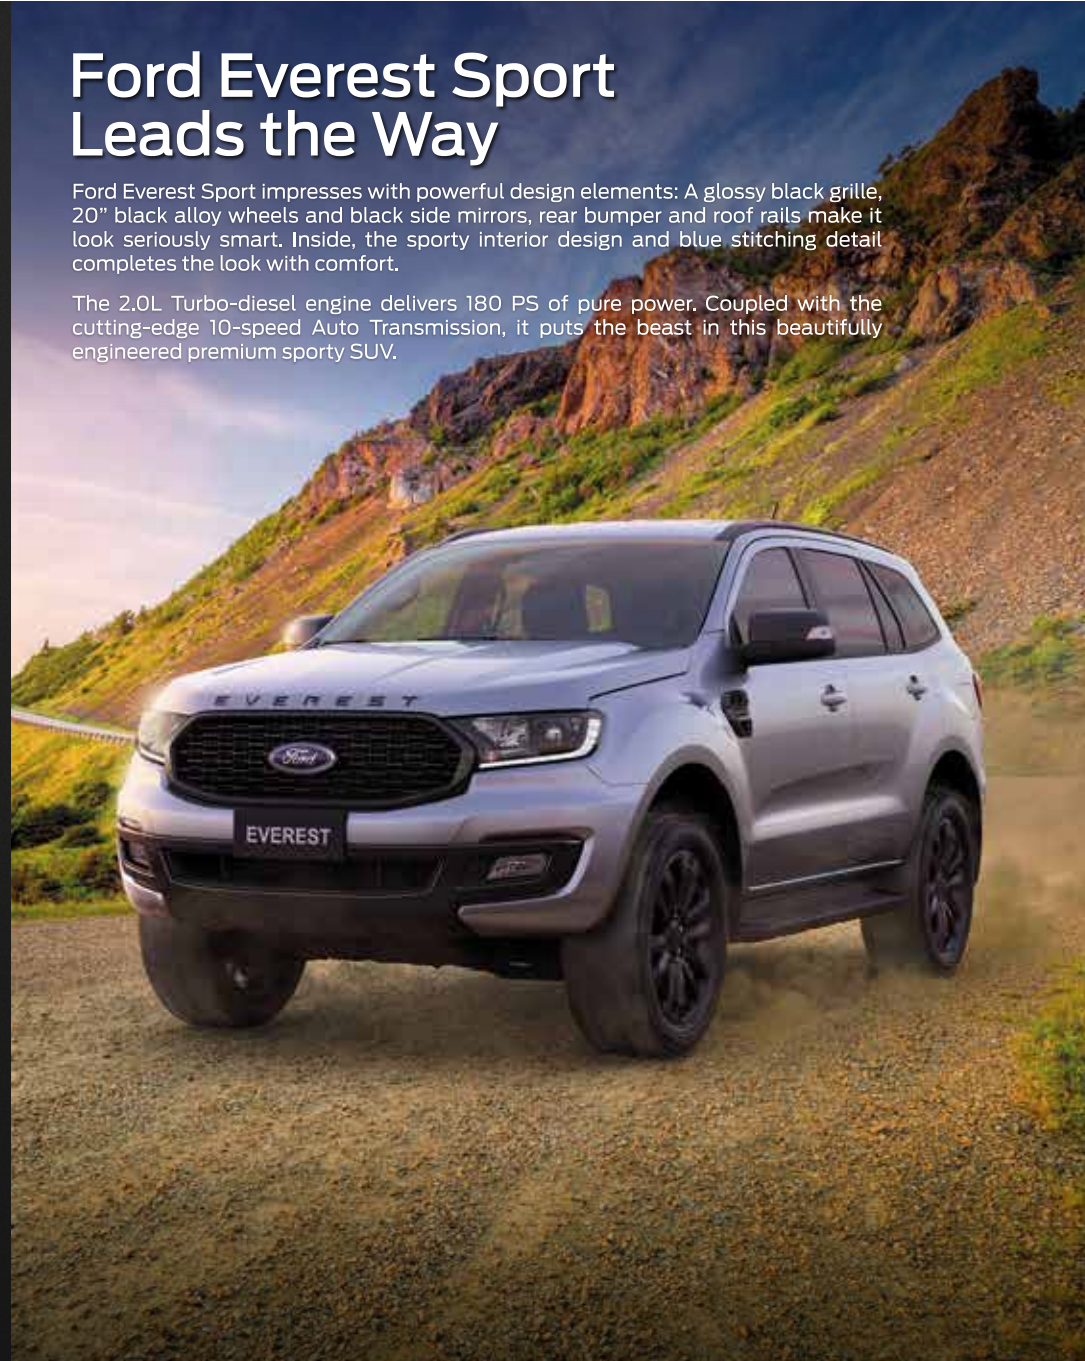

### Seven Airbags and Ultra-High Strength Steel

Provides a network of protection with front seat driver and passenger airbags and side-mounted airbags for those in the front and back.

# Ford Everest Sport Leads the Way

Ford Everest Sport impresses with powerful design elements: A glossy black grille, 20" black alloy wheels and black side mirrors, rear bumper and roof rails make it look seriously smart. Inside, the sporty interior design and blue stitching detail completes the look with comfort.

The 2.0L Turbo-diesel engine delivers 180 PS of pure power. Coupled with the cutting-edge 10-speed Auto Transmission, it puts the beast in this beautifully engineered premium sporty SUV.

Scheduled Service Plan (SSP)

The Ford Scheduled Service Plan (SSP) is a pre-paid maintenance plan that covers the Ford vehicle for up to a 5-year period from the date of purchase. It shields the owner from future price increases on maintenance parts and labor.

SSP is available in the following plans:

24 months / 20,000 km or 2 maintenance visits

36 months / 30,000 km or 3 maintenance visits

60 months / 50,000 km or 5 maintenance visits

ford.com.ph

Roadside Assistance

All Ford vehicles come with standard 3-year Roadside Assistance.

Premium Extended Warranty

The Ford Premium Extended Warranty is the most comprehensive Service Plan Protection fully backed by Ford Group Philippines. It covers the parts and labor to repair thousands of key components – engine, transmission, steering, electrical and more – for up to 5 years or 150,000 kilometers. In total that is 5 long years of vehicle warranty and worry-free ownership.
