

NEW FORD RANGER

LIVE THE
RANGER LIFE
Ford

A REVOLUTION IN PERFORMANCE

Ranger's new powertrain with cutting-edge technology delivers the power and torque you need, with improved fuel efficiency.

10-Speed Auto Transmission

Ford's latest transmission technology works seamlessly with its turbocharged engine, providing impressive performance and quicker gear changes.

2.0L Bi-Turbo Diesel Engine

Ranger's new 2.0L Bi-Turbo diesel engine is a stroke of genius. Two turbo-chargers work independently to deliver extra power on demand with improved fuel efficiency. Exclusively available on Ranger Wildtrak 4x4.

Power	Torque
213 PS	500 Nm

2.0L Turbo Diesel Engine

Like its bi-turbo sibling, the 2.0L Turbo diesel engine offers impressive power, torque, and fuel savings. Available on Wildtrak 4x2 with 10-speed automatic or 6-speed manual transmission.

Power	Torque
180 PS	420 Nm

2.2L TDCi Diesel Engine

Ranger's upgraded 4-cylinder 2.2L TDCi diesel engine, mated with a 6-speed manual or automatic transmission, pumps out the power you need to conquer any task.

Power	Torque
160 PS	385 Nm

LIVE THE RANGER LIFE

To tackle the biggest jobs, you need more than a one-dimensional truck. You need a powerful and responsive powertrain, cutting-edge technology, advanced safety and tough capability. Tougher. Smarter. More Capable.

See clearly

LED Headlamps and Daytime Running Lamps¹ help you see the road ahead clearly, and make you more visible to other drivers.

Smarter starts with Keyless Entry¹

Ranger knows when your key fob is nearby, without having to take your key out of your pocket. Just open the door to unlock the vehicle, then press the START button and you are ready to go.

Tailgate Lift Assist¹

Incorporates a torsion bar to make lifting and lowering the tailgate effortless.

Voice-controlled SYNC[®]3³

Work smarter. Play harder. Stay connected. Pair your smartphone to SYNC[®]3³ to make calls, select music, and use your apps while you're on the move. Totally hands-free.

Navigation System¹

Helps you find your way home with simple voice commands, no matter how far off-road you go.

Six Airbags¹

Side and curtain airbags and a reinforced safety cell help ensure safety inside the Ranger.

Active Park Assist²

Finds parallel parking spaces and practically steers itself into a parking spot. All you have to do is control the throttle and brake.

Adaptive Cruise Control²

Senses traffic and adjusts speed automatically. When traffic slows down, Ranger slows down too. When traffic clears, Ranger returns to your pre-set speed.

Lane Departure Warning²

Vibrates the steering wheel if you unintentionally move out of your lane at certain speed. If you still don't react, Lane Keeping Aid² helps steer you back on track.

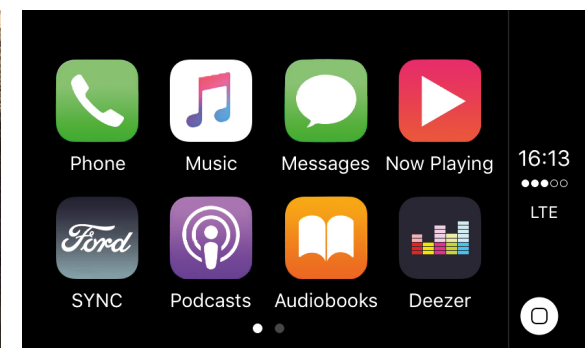

Autonomous Emergency Braking (AEB)²

Helps mitigate risks. It detects pedestrians and vehicles, and alerts you with an audible and visual warning. With AEB, Ranger pre-charges brakes to increase brake-assist sensitivity providing full responsiveness when you brake. If you fail to react, it can automatically apply the brakes.

YOUR OWN PATH STARTS HERE

New Ford Ranger is the pick-up truck that has your back and helps you tackle any challenge ahead. With more technology than ever before, interior comfort and a range of smart safety features, it's the only truck with the drive to match your own.

Refreshing interior design¹

Ranger's spacious and thoughtfully designed cabin keeps you in the comfort zone, no matter where you are, for work or for play.

Built tough, Looks tough

Equipped with unique 18" black alloy wheels and a matte black sport bar. The distinctive design elements inside and out make FX4 stands out from the crowd.

Load it up

Ranger's 3.5-ton maximum braked towing capacity and 1.3-ton maximum payload² let you handle big loads with complete confidence.

Apple CarPlay[®] and Android Auto[®] compatibility

Navigate and control your Apps on the 8" touchscreen, or by using simple voice commands. Access maps, music, texts and more in the way you find most comfortable. Making your in-car entertainment possibilities virtually endless.

[1] Image shown is a Ranger 2.0L Bi-Turbo Wildtrak 4x4 interior [2] Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. Further weight restrictions may apply, please consult your authorized Ford Dealer and/or refer to the Owner's Manual for guidance.

FORD PROTECT

Roadside Assistance

All Ford vehicles come with standard 3-year Roadside Assistance.

Scheduled Service Plan (SSP)

The Ford Scheduled Service Plan (SSP) is a pre-paid maintenance plan that covers the Ford vehicle for up to a 5-year period from the date of purchase. It shields the owner from future price increases on maintenance parts and labor.

SSP is available in the following plans:

24 months / 20,000 km or 2 maintenance visits

36 months / 30,000 km or 3 maintenance visits

60 months / 50,000 km or 5 maintenance visits

Premium Extended Warranty

The Ford Premium Extended Warranty is the most comprehensive Service Plan Protection fully backed by Ford Group Philippines. It covers the parts and labor to repair thousands of key components - engine, transmission, steering, electrical and more - for up to 5 years or 150,000 kilometers. In total that is 5 long years of vehicle warranty and worry-free ownership.
